# PREFACE

This simple Alerting Service Bibliography is intended as a timely update for all persons interested in the field of information resources. It contains books sent to the ERIC Clearinghouse at Stanford which were not applicable for inclusion in *Resources in Education*, ERIC's regular monthly catalog.

Listing these books does not imply a recommendation of them. All books deal in some way with libraries or media, but may not necessarily stress educational aspects of these fields.

Compiler and annotator for this edition was Karen Van Rossem. She also has arranged the books by major subject area.

Funded under Grant No. NIE-C-74-0027.
